

The overall LENGTH of the Formal Report is to be no more than 20 pages, double spaced. However, the sections in a Formal Report will be of varying length. Below is a rough estimate

Report section	~Max Length in pages (double-spaced)
Abstract	1
Introduction and Literature Review	2-3
Analytical Approach	2-3
Experimental Program	4-6
Results	4-6
Conclusions	1-2
References	1-2
Appendix, if needed	X
