

Module 5 - Sensors

ME3023 - Measurements in Mechanical Systems

Mechanical Engineering

Tennessee Technological University

Topic 2 - Analog Sensors

Topic 2 - Analog Sensors

- What is a Analog Sensor?
- Time Dependent Behavior
- Example Sensors
- Examples Applications

—
Examples:

What is a Analog Sensor?

Time Dependent Behavior

Time Dependent Behavior

Example Sensors

Example Sensors

Example Sensors

Examples Applications

Potentiometer Light Detecting Resistor

Examples Applications
