#### Lecture Module - Data Acquisition

ME3023 - Measurements in Mechanical Systems

Mechanical Engineering
Tennessee Technological University

Topic 1 - Analog to Digitial Conversion

#### Topic 1 - Analog to Digitial Conversion

- DAQ and Computer Storage
- Types of Integers
- Integers vs. Floating Point Numbers
- Analog to Digital Conversion

# DAQ and Computer Storage

Integers vs. Floating Point Numbers Analog to Digital Conversion

# Types of Integers

Binary	Decimal	Hexadecimal
0	0	0
1	1	1
10	2	2
11	3	3
100	4	4
	5	5
	6	6
	7	7
	8	8
	9	9
	10	А
	11	В

Binary	Decimal	Hexadecimal
	12	С
	13	D
	14	Е
	15	F
	16	
	17	
	18	
	19	
	20	
	21	
	22	
	23	

some reference

Integers vs. Floating Point Numbers Analog to Digital Conversion

# Types of Integers

Binary	Decimal	Hex.
0	0	0
1	1	1
10	2	2
11	3	3
100	4	4

Binary		Decimal	Hex.
	0	0	0
	1	1	1
	10	2	2
	11	3	3
	100	4	4

DAQ and Computer Storage Types of Integers

Analog to Digital Conversion

# Integers vs. Floating Point Numbers

Integer

Floating Point

# Integers vs. Floating Point Numbers

Integer	Floating Point	
Pros:	Pros:	
Cons:	Cons:
